

Tree & Shrub Nursery

New Season

Wholesale Catalogue 2020/21

CASTLE HOWARD

Welcome to the Castle Howard Tree & Shrub Nursery catalogue for the 2020/21 season

The nursery has been growing high quality trees and shrubs for over 50 years. Where possible we gather seed on the Estate itself and once again, we are pleased to offer locally sourced hardwoods ideal for new plantations.

This summer has been a very difficult season for germination and subsequent growth. Consequently, supplies of some varieties are extremely limited and we would recommend ordering early. We do however have very good crops of local origin Oak and Spanish chestnut for which demand is already very high.

Full details of age, provenance and country of growth for the trees listed in this catalogue are available on request.

The nursery is open from 7.30am to 4.00pm Monday to Friday for pre-booked orders from 2nd November 2020.

Please telephone or email us for a quotation, more information or advice.

For orders & enquiries call Maria

PLEASE NOTE

We are currently unable to accept cash or cheque. Payment is by card only and should be made prior to collections by calling the office on 01653 648646.

Thank you for your understanding.

When handling any plants with thorns or spikes protective gloves should be worn.

Plants marked with an asterisk* may be harmful or poisonous.

We hope that 2020/21 brings you all a successful planting season!

Nick Cooke
